Rocklin, CA 95765

RE: Lexington Quarry

Dear Mrs. Shirhall,

West Coast Aggregates, Inc. is required to notify the property owner of the various potential uses for the quarry site following reclamation. The potential future uses listed below have been identified in the Reclamation Plan dated July, 2002. The preferred end use is to sell the property and have it annexed to the adjoining lands of the Mid-Peninsula Regional Park Open Space District:

1. Open Space/Public Parklands (MPROSD)
2. Open Space/Private

Your countersignature at the bottom of this letter is requested as evidence that you, as the property owner, have been notified. Please retain one copy of this letter for your records and return one signed copy for our filing with the County of Santa Clara.

Sincerely,

Richard O. DeAtley
President
