SANTA CLARA COUNTY SURVEYOR'S OFFICE

Annexation Check List

The purpose of the check list is to strive for the standardization of data shown for City or Town conducted annexations and to expedite review by the County Surveyor's Office. Prior to submittal, please review your documents for compliance with the applicable items on this check list. Please note that the **proposal must be submitted to the County Surveyor's Office by the affected City or Town**. Proposals **will not** be accepted from individual applicants. Items
