

SPECIAL INSPECTION AND TESTING SCHEDULE – SHORT FORM

(2022 CBC -11/09/2023)

Prior to issuance of a building permit, the building owner, on the advice of the Architect or Engineer, must sign this form and submit it to the County Building Official. The signatories to this form certify that the Testing/Inspection Agency named below has been engaged to perform structural tests and inspection during construction, as checked below, to satisfy all applicable portions of the Building Code. The Owner and their Agents acknowledge they are responsible for specifying and conducting all inspections required by CBC Chapter 17 for a given project, even if not listed or checked below.
