Dear Leza:

Thank you for your response. I would like to clarify that we are not in agreement that a continuance is necessary in order to do more CEQA analysis, but we do believe a continuance is necessary to understand this new process recommended in the Staff Report.

We will attend the hearing tomorrow in case any questions arise.

Thank you,
Catherine

Hello Catherine,

We appreciate that Stanford concurs with Staff's recommendation, and we will proceed accordingly. Please note that this project was duly noticed for a public hearing, however Staff will read your request into the record before the Hearing Officer for consideration.
