Re: Responses to incomplete letter dated 8/28/2019

Project Address: Hale Avenue

Plan Review Number: PLN19-0168

Responses below directly correlate to items in said 8/28/2019 comments.

Planning:

1. Revised site plan submitted to include:
 - a. Limits of culvert added to the site plan. Please see profile A-A and Fisher Creek Profile for location of the culvert in relation to the top of bank and flowline.
 - b. Limits of the grading violation in the creek have been added. Area and volume have also been added.
 - c. AB driveway has been shown as part of the violation on sheet 1.
2. Habitat screening form has been included in this submittal.
3. Biological report from Coast Range and an HCP exhibit for area calculations has been included in this resubmittal.
4. A check for the Environmental Assessment Fee has been included in this resubmittal.

Land Development Engineering:

5. Revised site plan submitted to include:
 - a. Limits of the violation have been updated.
 - b. Total amount of disturbed area has been added to the Earthwork Table on both sheets to include the disturbed area of the violation. A total disturbed area for the proposed grading has also been included on sheet 2.

Roads and Airports:

6. Revised site plan submitted to include:
 - a. Hale Avenue OPL added to the plan.
 - b. The fill placed for access off of Hale Avenue has been shown to be removed from edge of pavement to the OPL.

Please let me know if you have any questions or need any additional information.
