Re: Responses to incomplete letter dated 4/7/2023
Project Address: 2610 Pacheco Pass Hwy – APN 841-25-023, 025
Plan Review Number: PLN22-190

Planning:

1. The site plan has been redesigned to reduce the number of ag working housing units from 6 to 4. This reduced the development area to below 10% without the need to convert the storage area to its natural state. The outdoor storage area was cleaned up and a picture of the area has been included in the resubmittal.

Please let me know if you have any questions or need any additional information.
