Below are our responses to the comments provided in the review letter for the above referenced project.

Landscape Comments:

11.

Trees and shrubs for screening are shown on the planting plan sheet L4.0.

12.

A planting plan L4.0 shows proposed screening trees and shrubs. A full landscape planting plan is not required at this point but will be provided as part of the building permit submittal.

13

Landscape area is shown on A0. A full landscape planting plan and documentation will be provided as part of the building permit submittal.

Please do not hesitate to contact us should you have any questions or need further clarification on the responses.

Sincerely,

Joseph Huettl, ASLA
