

APPLICATION FOR TREE REMOVAL PERMIT

Owner: County of Santa Clara Address: 2310 N. 1st St., Suite 200, San Jose, CA 95131

City: San Jose Phone: Jose Kuan (408) 993-4621 (county project manager)

Applicant: Forefront Power(on behalf of county) Address: 100 Montgomery St., Suite 725, San Francisco, CA 94104

City: San Francisco Phone: Michelle Gunther (628) 899-1625 (project manager)

Address of tree(s) to be removed: 150 W Tasman Dr., San Jose, CA 95134

Assessor's Parcel Number: 097-54-020 Nearest cross street: Rio Robles

Company/Individual to remove tree(s): General Tree Service (contracted under Collins Electric)

Address: 4811 Kimber Ave., Bakersfield, CA 93307 Business License No.: 2460099

Number of Trees to be removed: 45 Species: Please see attached excel file for tree characteristics

Size of trees (circumference, measured 4.5' above ground): Please see attached file for tree characteristics

Specific Reasons for removal of trees: All trees conflict or will shade the solar arrays to be constructed June-Dec. 2023. The solar arrays will provide energy savings to the county for the next 20 years while generating clean renewable energy through an energy services agreement approved by the board. Tree removal was part of the CEQA NOE filed for this site and solar project.

Statement from licensed Arborist or Forester? If yes, attach to application. ***No, but information here is from the TreePlotter database, updated by Davey Resource Group.***

Location of Tree(s) on property: Provide a site plan (see reverse for requirements) ***See attached.***

Include photos of all trees. ***See attached.***

OFFICE USE ONLY
