PLANNING

Contact Lulu Pang at (408) 299-5718 or lulu.pang@pln.sccgov.org regarding the following:

1. The exterior lighting plans are missing information. Provide beam patterns and the limit of work boundary line on the photometric site plan(s). The Photometric plan shall clearly depict the light fixtures and their locations relative to the photometrics on the plan.
2. Clarify if any outdoor sound amplification system is proposed to be installed in the Tennis Center.
