Dear Interested Parties & Stakeholders:

We invite you to a Virtual Q & A Session for Proposed General Plan and Zoning Amendments to Recreational Vehicle (RV) Park regulations within the unincorporated County.

**WHAT:**

The proposed modifications would limit the locations where RV Parks would be allowed to develop, would modify the short-term stay requirements and make County regulations for RV Parks consistent with State law. *Of note, approved RV Parks are not affected by these amendments, they would be considered "grand-fathered in" or legal non-conforming uses.*

The County requests that you register for this webinar and provide your questions by noon on March 21, 2021.

**WHO:**

County of Santa Clara Planning Department  
Carl Hilbrants, Senior Planner
