# TABLE OF CONTENTS

## Stanford University 2018 General Use Permit Final Environmental Impact Report

### Part 2: Response to Comments Document

	<u>Page</u>
<b>Chapter 1, Introduction.....</b>	<b>1-1</b>
1.1 Purpose of the Response to Comments Document.....	1-1
1.2 Environmental Review Process .....	1-2
1.3 Method of Organization .....	1-4
1.4 Further Draft EIR Recirculation Not Required.....	1-4
<b>Chapter 2, Revisions to the Draft EIR and Recirculated Portions of Draft EIR.....</b>	<b>2-1</b>
2.1 Overview.....	2-1
2.2 Revisions to the Draft EIR and Recirculated Portions of Draft EIR.....	2-1
<b>Chapter 3, Agencies, Organizations and Individuals Commenting on the Draft EIR and Recirculated Portions of Draft EIR.....</b>	<b>3-1</b>
3.1 List of Commenters on the Draft EIR.....	3-2
3.1.1 List of Public Agencies Commenting in Writing on the Draft EIR.....	3-2
3.1.2 List of Organizations Commenting in Writing on the Draft EIR .....	3-3
3.1.3 List of Individuals Commenting in Writing on the Draft EIR .....	3-3
3.1.4 List of Individuals Commenting Orally at Public Meetings on the Draft EIR.....	3-9
3.2 List of Commenters on the Recirculated Portions of Draft EIR .....	3-13
3.2.1 List of Public Agencies Commenting in Writing on the Recirculated Portions of Draft EIR.....	3-13
3.2.2 List of Organizations Commenting in Writing on the Recirculated Portions of Draft EIR .....	3-13
3.2.3 List of Individuals Commenting in Writing on the Recirculated Portions of Draft EIR .....	3-14
3.2.4 List of Individuals Commenting at Public Meetings on the Recirculated Portions of Draft EIR.....	3-15
<b>Chapter 4, Master Responses .....</b>	<b>4-1</b>
4.1 Introduction .....	4-1
4.2 Summary of Master Responses.....	4-1
4.3 Master Responses.....	4-3
4.3.1 Master Response 1: Non-CEQA Comments .....	4-3
4.3.2 Master Response 2: Non-Project Planning Processes .....	4-4
4.3.3 Master Response 3: General Comments on EIR and Environmental Topics.....	4-5
4.3.4 Master Response 4: Environmental Review Process .....	4-5

	<u>Page</u>
<b>Chapter 4, Master Responses (continued)</b>	
4.3 Master Responses (continued)	
4.3.5 Master Response 5: Project Description .....	4-8
4.3.6 Master Response 6: Approach to 2018 Baseline Environmental Setting and Cumulative Scenarios .....	4-11
4.3.7 Master Response 7: Flooding/Detention .....	4-15
4.3.8 Master Response 8: EIR Alternatives .....	4-20
4.3.9 Master Response 9: Population and Housing Methodology and Calculations .....	4-26
4.3.10 Master Response 10: Affordable Housing .....	4-33
4.3.11 Master Response 11: Public Services .....	4-36
4.3.12 Master Response 12: Public Schools .....	4-37
4.3.13 Master Response 13: Transportation and Traffic .....	4-44
<b>Chapter 5, Written and Spoken Comments on the Draft EIR, and Responses to Comments .....</b>	<b>5-1</b>
5.1 Introduction .....	5-1
5.2 Comments and Responses .....	5-1
5.2.1 Draft EIR Comment Letters – Agencies.....	5.2.1-1
5.2.2 Draft EIR Comment Letters – Organizations .....	5.2.2-1
5.2.3 Draft EIR Comment Letters – Individuals .....	5.2.3-1
5.2.4 Draft EIR Public Meeting Transcripts.....	5.2.4-1
<b>Chapter 6, Written and Spoken Comments on the Recirculated Portions of Draft EIR, and Responses to Comments .....</b>	<b>6-1</b>
6.1 Introduction .....	6-1
6.2 Comments and Responses .....	6-1
6.2.1 Recirculated Portions of Draft EIR Comment Letters – Agencies....	6.2.1-1
6.2.2 Recirculated Portions of Draft EIR Comment Letters – Organizations .....	6.2.2-1
6.2.3 Recirculated Portions of Draft EIR Comment Letters – Individuals .....	6.2.3-1
6.2.4 Recirculated Portions of Draft EIR Public Meeting Transcripts.....	6.2.4-1
<b>Response to Comments Document Appendices</b>	
A-PAUSD1 Comment Letter A-PAUSD1 Attachment .....	A-PAUSD1-1
O-CAARD Comment Letter O-CARRD Attachments .....	O-CAARD-1
O-SCAS Comment Letter O-SCAS Attachment .....	O-SCAS-1
O-SCOPE Comment Letter O-SCOPE Attachment .....	O-SCOPE-1
RA-MP Comment Letter RA-MP Attachment .....	RA-MP-1
RA-MV Comment Letter RA-MV Attachment .....	RA-MV-1
RA-PV Comment Letter RA-PV Attachment.....	RA-PV-1
AQT-REV Stanford 2018 General Use Permit Application: Air Quality Technical Report (Revised) .....	AQR-REV-1
CAP Storm Drainage Detention Capacity Summary – Annual Report #16 .....	CAP-1
GWL Stanford Historical Groundwater Levels .....	GWL-1
PMP Sustainable Groundwater Pumping Technical Memorandum .....	PMP-1
SDR Storm Drainage Detention Reports.....	SDR-1

	<u>Page</u>
<b>Response to Comments Document Appendices (continued)</b>	
TIA-REV	Stanford 2018 General Use Permit Application: Transportation Impact Analysis (Revised) ..... TIA-REV-1
TIA1	Stanford 2018 General Use Permit Application: Transportation Impact Analysis – Part 1..... TIA1-REV-1
TIA2	Stanford 2018 General Use Permit Application: Transportation Impact Analysis – Part 2..... TIA2-REV-1
RCA	2018 Stanford General Use Permit: Reverse Commute Analysis..... RCA-1
TBC-ADD	2018 Stanford General Use Permit Transit and Bicycle Capacity Analysis – Addendum #1 ..... TBC-ADD-1
TRF-MISC	Memoranda from Stanford to County of Santa Clara: Miscellaneous Citations ..... TRF-MISC-1

### List of Figures

5.2-1	Sensitive Receptor Locations (Revised).....	2-13
5.9-4	Groundwater Recharge Zone (Revised).....	2-19
5.15-8	Revised Cordon Credit Area .....	2-38
5.15-13	Caltrain AM Peak Hour Northbound Passenger Load by User Type at California Avenue Station – Expanded TDM Scenario (Revised) .....	2-80
5.15-14	Caltrain AM Peak Hour Southbound Passenger Load by User Type at the San Carlos Station – Expanded TDM Scenario (Revised).....	2-80
5.15-15	Caltrain PM Peak Hour Northbound Passenger Load by User Type at the San Carlos Station – Expanded TDM Scenario (Revised).....	2-81
5.15-16	Caltrain PM Peak Hour Southbound Passenger Load by User Type at California Avenue Station – Expanded TDM Scenario (Revised) .....	2-81
7A-15-1	Revised Cordon Credit Area .....	2-96
7B-15-1	Revised Cordon Credit Area .....	2-117
MR13-1	Annual AM Commute Trip Count .....	4-62
MR13-2	Annual PM Commute Trip Count .....	4-62
MR13-3	All Daily Trips Crossing Cordon .....	4-71
MR13-4	Comparison of Average Hourly Volume – Inbound & Outbound .....	4-72
MR13-5	Primary Gateway Average Daily Traffic.....	4-73
MR13-6	Secondary Gateway Average Daily Traffic.....	4-73
MR13-7	Comparison of Average Hourly Inbound Volume .....	4-75
MR13-8	Comparison of Average Hourly Outbound Volume .....	4-75
MR13-9	Historic 2000 General Use Permit Monitoring Results, 2001 – 2016 .....	4-76
MR13-10	Projected Cordon Trips at Completion of the 2000 General Use Permit .....	4-77

### List of Tables

5.2-3	Criteria Air Pollutant Emissions- 2018 Baseline .....	2-14
5.2-9	Total Operational Criteria Air Pollutant Emissions in 2035 with Buildout of the 2018 General Use Permit.....	2-15
5.2-10	Net Change in Maximum Annual and Average Daily Operational Criteria Air Pollutant Emissions .....	2-16
5.12-10	Stanford Population Residing on Project Site – 2035.....	2-21
5.13-1	2016 / 17 PAUSD Capacity and Enrollment .....	2-23
Table 1	Study Intersection Mitigation Measures under 2018 General Use Permit .....	2-33
Table 2	Study Intersection Reverse-Commute Mitigation Measures under 2018 General Use Permit.....	2-41

	<u>Page</u>
<b>List of Tables (continued)</b>	
5.15-21 2018 Baseline With Project Intersection Levels of Service ( <i>Mitigated Conditions</i> ) .....	2-45
5.15-29 2035 Intersection Levels of Service (2035 Cumulative and 2035 Cumulative With Project).....	2-48
5.15-31 2035 Cumulative With Project Intersection Levels of Service ( <i>Mitigated Conditions</i> ) .....	2-68
5.15-32 2035 Freeway Metered On-Ramp Queuing Evaluation (2035 Cumulative and 2035 Cumulative with Project).....	2-73
5.15-33 2035 Freeway Non-Metered On-Ramp Volumes and Storage Capacity (2035 Cumulative and 2035 Cumulative with Project).....	2-73
5.15-34 2035 Freeway Off-Ramp Queuing Evaluation (2035 Cumulative and 2035 Cumulative with Project): Signalized and Stop-Controlled Terminal Intersections .....	2-74
5.15-35 2035 Freeway Off-Ramp Queuing Evaluation (2035 Cumulative and 2035 Cumulative with Project) (Uncontrolled Terminal Intersections) .....	2-75
5.15-36 2035 Cumulative With Project Transit Route Delays.....	2-76
5.15-43 Caltrain Capacity Assumptions .....	2-79
5.16-2 Summary of Projected Dry Year Supply and Demand .....	2-82
Table 1A Study Intersection Mitigation Measures under Additional Housing Alternative A .....	2-90
Table 2A Study Intersection Reverse-Commute Mitigation Measures under Additional Housing Alternative A .....	2-99
7A.15-6 2018 Baseline With Additional Housing Alternative A Intersection Levels of Service ( <i>Mitigated Conditions</i> ) .....	2-100
7A.15-11 (partial table) Cumulative (2035) No Project and With Additional Housing Alternative A Intersection Levels of Service .....	2-102
7A.15-13 2035 Cumulative With Additional Housing Alternative A Intersection Levels of Service ( <i>Mitigated Conditions</i> ) .....	2-103
Table 1B Study Intersection Mitigation Measures under Additional Housing Alternative B .....	2-112
Table 2B Study Intersection Reverse-Commute Mitigation Measures under Additional Housing Alternative B .....	2-120
7B.15-6 2018 Baseline With Additional Housing Alternative B Intersection Levels of Service ( <i>Mitigated Conditions</i> ) .....	2-122
7B.15-13 2035 Cumulative With Additional Housing Alternative B Intersection Levels of Service ( <i>Mitigated Conditions</i> ) .....	2-124
3-1 Public Agencies Commenting in Writing on the Draft EIR.....	3-2
3-2 Organizations Commenting in Writing on the Draft EIR .....	3-3
3-3 Individuals Commenting in Writing on the Draft EIR .....	3-4
3-4 Individuals Commenting on the Draft EIR, Public Meetings .....	3-9
3-5 Public Agencies Commenting in Writing on the Recirculated Portions of Draft EIR .....	3-13
3-6 Organizations Commenting on in Writing the Recirculated Portions of Draft EIR .....	3-13
3-7 Individuals Commenting in Writing on the Recirculated Portions of Draft EIR .....	3-14
3-8 Individuals Commenting on the Recirculated Portions of Draft EIR, Public Meetings .....	3-15
MR7-1 Stanford Detention Capacity Summary .....	4-18
MR12-1 Stanford Student Yield Rate.....	4-39
MR12-2 PAUSD Student Yield Rate For Project.....	4-40

	<u>Page</u>
<b>List of Tables (continued)</b>	
Table 2 Study Intersection Reverse-Commute Mitigation Measures under 2018 General Use Permit.....	4-56
MR13-1 Cut-through Traffic Percentage Reductions from the Annual Traffic Monitoring Reports.....	4-65
Table 6 California 2020 GHG Emissions, Population Projections, and GHG Efficiency Thresholds – Land Use Inventory Sectors .....	5.2.3-157
