Santa Clara County Zoning Atlas

This atlas is intended to serve as a guide to the various zoning districts of the unincorporated areas of Santa Clara County. Because of the large area covered, and the scale of the map pages, the zoning designations have been somewhat simplified. Not all zoning designations have been labelled. Please check with the Planning Office for official zoning determinations.

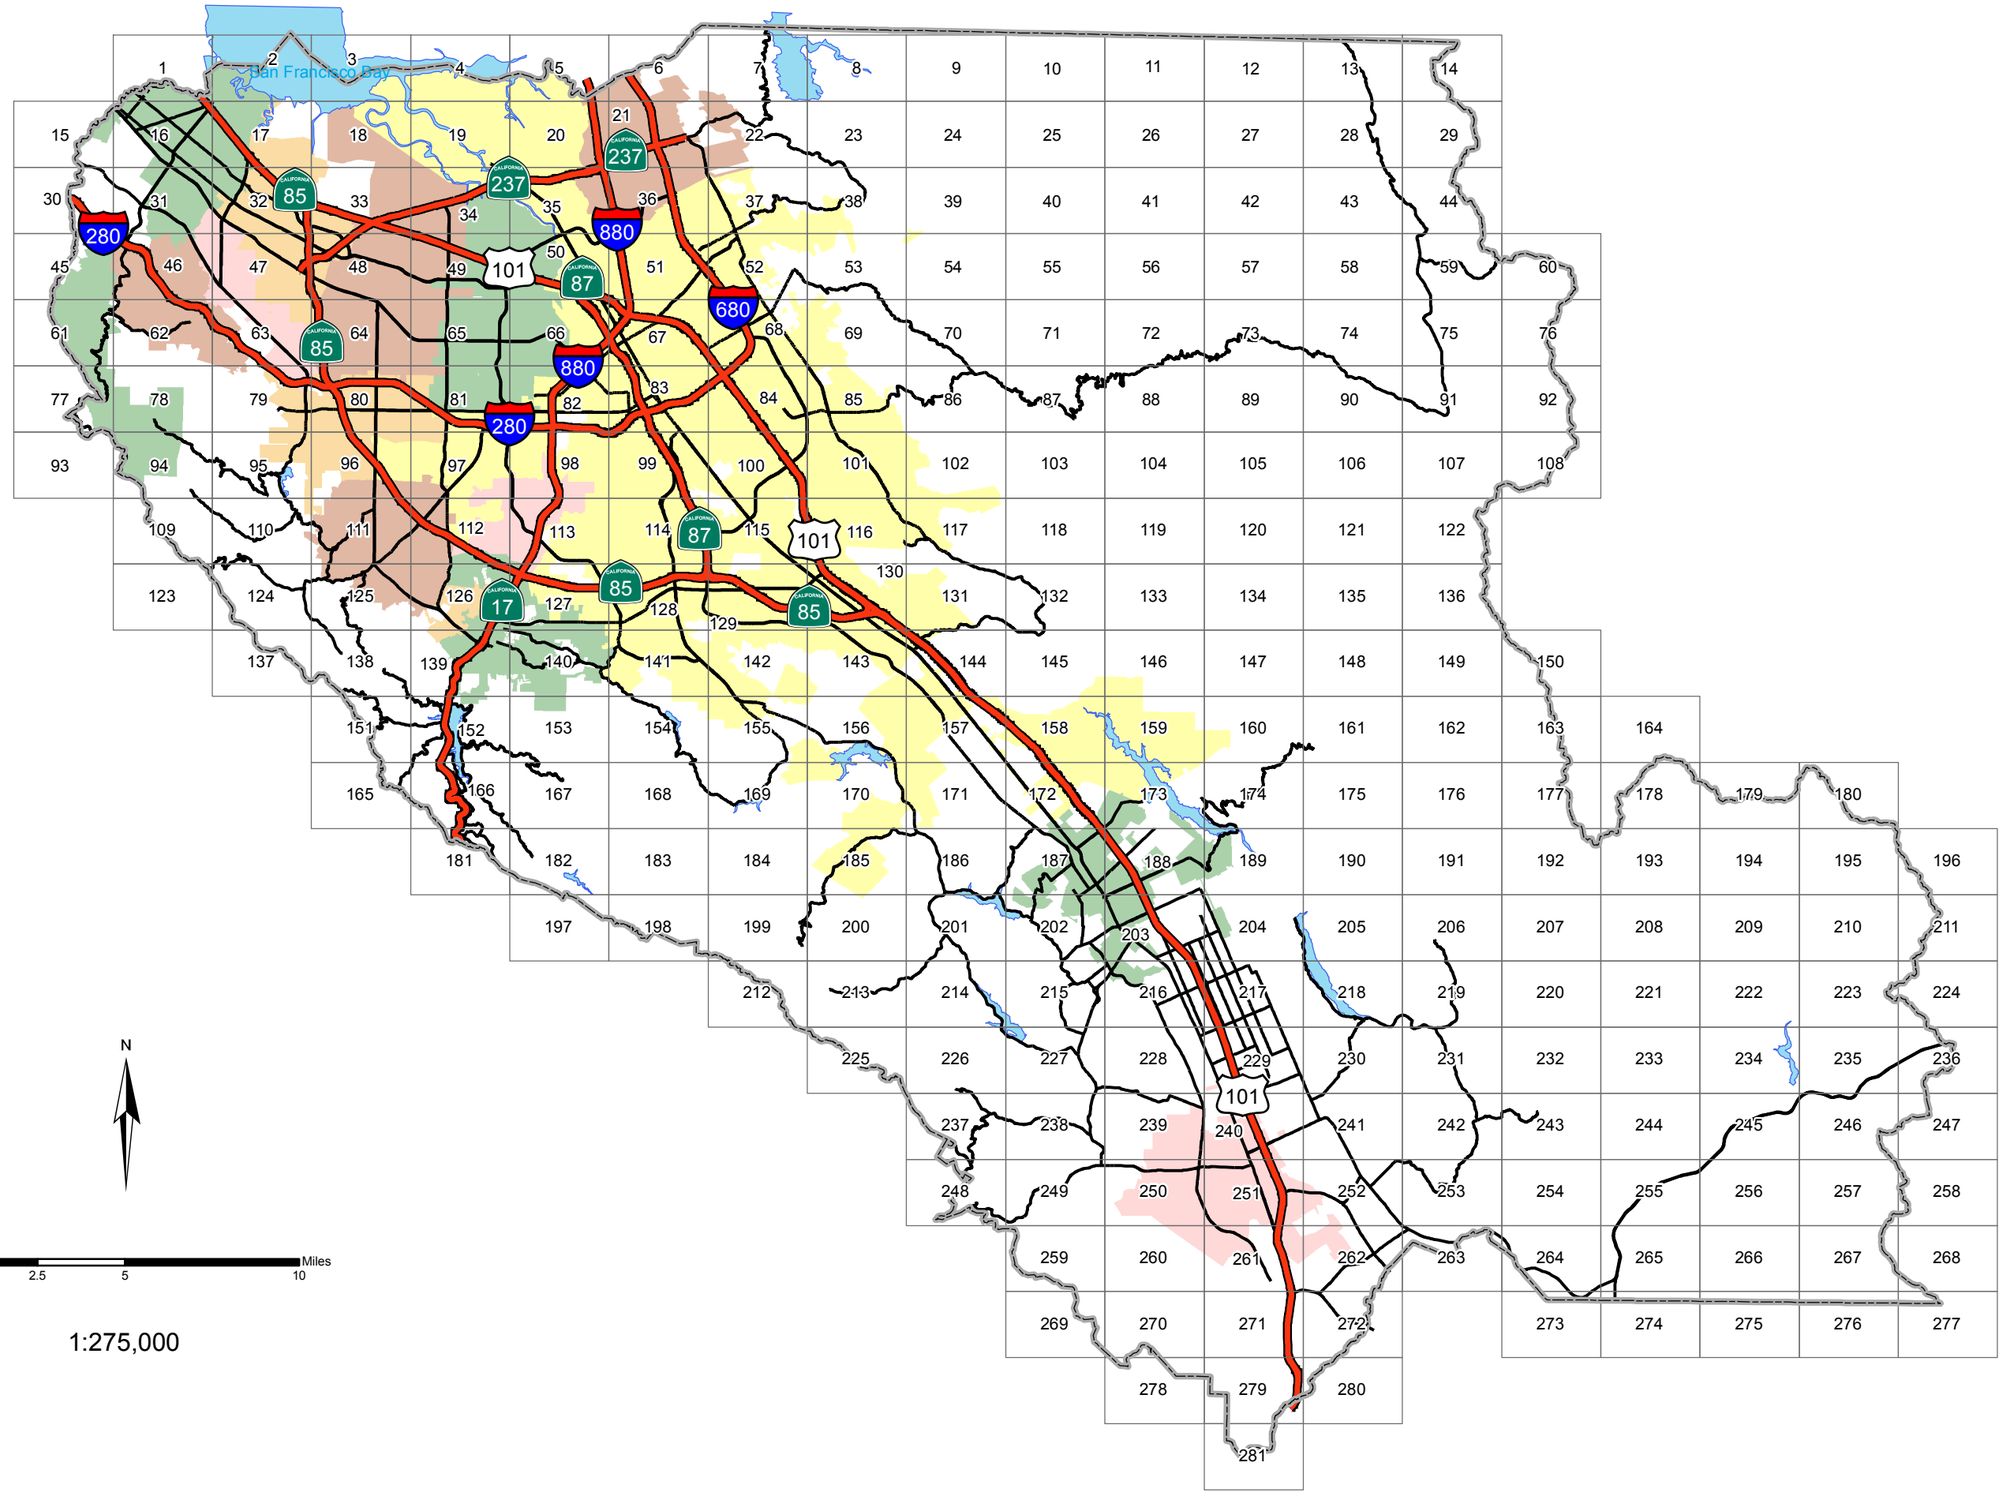

Legend

- County Boundary
- Urban Service Area
- Parcels
- Roads and Freeways
- Creeks
- Lakes
